Information for elective care patients

Dear patient,

the smallest details are important – and because we want you to feel as comfortable as possible here, we have put together a package of services to help you during your stay as an elective care patient.

Food and drink

In the menu card, there is an extended choice of food on offer for elective care patients on a regular diet.

You will find this separate menu card in your room.

If you are not satisfied with the choice on offer, or if you feel the food on offer might not suit you please let our staff know. Thank you.

Daily newspaper

We will provide a current issue of the local daily newspaper.

Telephone

During your stay as an inpatient, you will not have to pay the basic telephone fee. The telephone use charges will be billed separately.

Internet

Unfortunately, we cannot offer internet access to our patients on all wards. However, if this technical option is available on your ward, it will be free of charge.

Additional items

In your bathroom, you will find a shower and wash set, consisting of:

- Facecloth
- Toothpaste, toothbrush
- Comb
- Soap
- Shampoo
- Shower gel
- Body lotion
- Nail file

Additional items available during your hospital stay:

- Extra wash cloths
- 2 Hand towels
- 1 bath towel
- Upon request, a bathrobe
- Hairdryers are also available upon request

We will also change hand and bath towels, as well as bed linen upon request.

Laundry

Without additional charge we can have items of personal clothing and night clothes washed for you. If you need this service, please ask one of our staff members. Everything else will be taken care off. You will receive a laundry receipt with detailed instructions on how to use this service.
